

Field experiences provide student teachers with the opportunity to develop skills, strategies, and professional dispositions. The following is a summary of field experiences offered through student teachers' two-year program of study.

**EDFX 200: An Open-Option Early Field Experience**

Student teachers will work up to teaching a minimum 0.8 of teachers' FTE in their major field during the fall term (early September to late December), or winter term (January-April), or spring (May) term. In order to qualify, students must have completed EDFX 325 or 350, but cannot have completed EDFX 325 or 350.

**EDFX 200: An Open-Option Early Field Experience**
